The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, CA 90012

Dear Supervisors:

APPROVAL OF AGREEMENT #09-0078 WITH THE CALIFORNIA DEPARTMENT OF FOOD AND AGRICULTURE FOR THE EGG QUALITY CONTROL PROGRAM (ALL DISTRICTS) (3-VOTES)

SUBJECT

The Egg Quality Control Program provides for the inspection of eggs at retail, production, and wholesale facilities and for investigation of California Department of Food and Agriculture approved retail egg and wirebasket complaints. There is no County cost associated with this program.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and instruct the Agricultural Commissioner/Director of Weights and Measures to sign the accompanying agreement (#09-0078) with the California Department of Food and Agriculture (CDFA), which reimburses the County \$100,190 for one year, beginning July 1, 2009, for work conducted by the Department of Agricultural Commissioner/Weights and Measures (ACWM) for the Egg Quality Control Program.
2. Authorize the Commissioner/Director to amend the contract agreement in an amount not to exceed 15 percent of the original contract, if necessary, subject to review and approval by County Counsel and the Chief Executive Office and notification to the Board Offices at no County cost.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Although this is the first CDFA Egg Quality Control Program contract requiring Board approval, your Board has approved numerous similar agreements with CDFA. Approval of the recommended actions will enable ACWM to continue the County Egg Quality Control Program in order to monitor the quality of eggs in Los Angeles County. The County Egg

Quality Control Program provides for the inspections of eggs for defects, underweights, undergrades, improper markings, and storage.

Implementation of Strategic Plan Goals:

Awarding the contract meets the County's Strategic Plan Goal of Operational Effectiveness by ensuring that the Egg Quality Control Program continues to provide egg inspections throughout Los Angeles County. The program will enable ACWM to ensure eggs meet requirements for labeling, refrigeration, and quality.

FISCAL IMPACT/FINANCING

Under this agreement, CDFA will provide funding in the amount of \$100,190 for work performed by this Department for the period July 1, 2009, through June 30, 2010. Based upon the work parameters of this contract, there are no net County costs. The revenue was included in the Department's Fiscal Year 2009-2010 Final Adopted Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract applies to the period of July 1, 2009, through June 30, 2010.

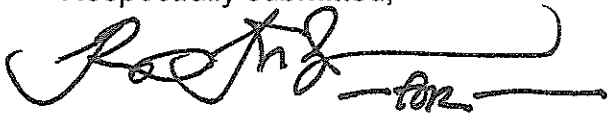

Egg inspections shall be performed as provided in the Food and Agricultural Code, Division 12, Part 4, Chapter 1 (commencing with Section 27501); the California Code of Regulations, Title 3, Subchapter 3; and any State policies and procedures.

Contract #09-0078 has been reviewed by County Counsel and is approved as to form.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended Board action will support the program services for the entire 2009-2010 Fiscal Year.

Respectfully submitted,
